

Dear Friends,

Greetings and best wishes to you.

We are very excited to share with you that we will be building a FCN home for the needy near Shadnagar, 50 kilometers from Hyderabad. This home will accommodate 150 elderly, physically challenged, mentally retarded and orphaned individuals. It will also provide tailoring training and health education to the neighboring villagers. We humbly appeal to you to help us with this noble cause through your generous donation. Your donation can be designated to build a specific room in the facility which will be dedicated in your or a loved one's name and recognized with a plaque. Or your donation in any amount will go a long way in realizing this great project. Please make your check payable to *Foundation for Children in Need* or *FCN* and mail it to the above address. Please encourage your family and friends to support this very special project. You may also donate online.

Thanking you once again for all your support and looking forward to hearing from you.

With Love, Prayers and Much Gratitude,

Geetha and Tom
