THE SUDDEN DEATH OF MARY PARNEETHA

Most Rev. Prakash Sagili, Bishop of Khammam celebrates funeral mass on June 2, 2024 at St. Theresa's Church, Sanathnagar

Dear Friends,

We are deeply saddened and shocked at the sudden passing of Parneetha Yeruva, FCN India executive director and our niece (Geetha's brother's daughter) on Friday, May 31, 2024.

Parneetha was such a beautiful person who gave her whole life for family and FCN. She loved everyone and lived a very exemplary life. A very faith-filled and devout person, she attended daily mass, daily family rosary and held dear various devotions. She loved the elderly and all the students whom she helped and guided to write letters to their sponsors. Pari had deep appreciation for the priests, nuns and their service to the community.

Pari had come to the US four different summers to make mission appeals. She was so competent and would travel anywhere in US on her own. She touched and won the hearts of so many people in India and in the US. God gave us only a very short time to enjoy her. May her soul rest in God's heavenly abode.

It is a tremendous loss for all our families, friends and for the FCN family. We are doing our best to hold together and trying to be strong.

It's hard to believe that our dear Pari is not with us. In faith, we are journeying to overcome the loss and grief. God will sustain us through this difficult time. Your prayers are very much appreciated.

Thank you so much for your prayers and for the messages of support.

We give tribute to Pari and remember her and celebrate her life through this book. May she be an example of deep faith, love and service. A life well lived. May she inspire many.

Please continue to keep us in your prayers.
Thanking you all for your love, prayers and support.

With Love and Much Gratitude,
Tom and Geetha

Eternal rest grant her O Lord and may she rest in peace. Perhaps she is now with St. Theresa of the child Jesus, helping her to shower us with roses from above.

- Peace and love, Al Carlson, Little Rock, AR

To be with Pari was to be in the presence of love. From the moment I met her, Parneetha extended such beautiful hospitality. She was a pure soul, a humble soul. Her servant's heart was so obvious by how she cared for those around her. She was selfless, gentle, kind, and an effective leader. Her vocation and tireless commitment to serve the poor has left us a legacy of love and model to emulate. I will always be grateful to have spent time with her and to have learned from her. To say Pari will be missed cannot begin to express our loss.

- Jo Anne Mullen-Muhr

Tom Chitta's tribute for Pari at funeral mass, Sunday, June 2, 2025:

Dear Friends,

Thank you for your outpouring love for Parneetha. May she rest in eternal peace. Our family members are most grateful for your support at this very difficult time.

Our families and FCN lost, a beautiful person. Full of faith, a loving and caring person. Pari was a very passionate and dedicated person who offered her life for the service of the poor. She was a roll model for us. She was the strength and pillar and icon of FCN. Her legacy will continue with the help of our loving God and all of you.

It's the most difficult day for us. For Geetha and myself, Pari is a very important person in our lives. She did everything for us. We depended on her for our personal work and the work of FCN. We always said she is our boss. And she was an awesome boss. We enjoyed working with her.

Please understand our mourning and grief. Help us to go through it with the grace of God and your prayers.

Karuna, we love you, and we will always be there to support you. May our Lord give you strength and grace.

Pari, we love you. We will remember you forever. May you rest in the Hands of our loving Lord.

LIFE OF PARI.. LOVINGLY REMEMBERED..

Mary Parneetha Yeruva was the only child of Late Yeruva Raja Reddy and Vijaya Nirmala. She was born on the 27th of January 1986 in Tadipathri, in Anantapur district, India.

Childhood Education:- Throughout her childhood, Parneetha lived with her parents and grandparents in her native village, Avalathipayapalle. She studied grades 1 through 10 at Christ the King School in Tadipathri. For higher education, she went to Hyderabad. She completed her Bachelor of Science at St. Ann's College, Mehdiapatnam.

Marriage:- On January 28, 2012, Parneetha married Karunakar Reddy Molakala. They spent twelve very happy years together.

Parneetha:- a blossoming flower who was separated from this Earth-Every person born on this earth must fulfil God's will and plan. Parneetha perfectly completed the task entrusted to her by God. She shines in our midst. She fulfilled God's will in her life with deep faith and dedication. She entered the Heavenly abode on May 31, 2024.

Parneetha was a self-sacrificing and hardworking person. Leaving many job opportunities, she joined Dr. Geetha and Tom in serving the less fortunate. Parneetha's life was like a sweet, perfumed flower. Her walk, gestures and personality were unique. Her services to the FCN organization were exemplary.

FCN Sponsorship:- As the Director of the FCN Sponsorship Program, Parneetha was a strong mentor who inspired many with heart touching advice and suggestions. Parneetha was an inspiration to many orphans and underprivileged boys and girls. She was a great educator who inspired the students to aspire to their full potential. With compassion and skill, she helped them to reach their path to a golden future. She created a legacy which has been an inspiration and a guide to the project coordinators and students of the FCN organization. She showed a special interest in many service programs undertaken by FCN.

Service to children with Cleft Lip and Cleft Palate:- Parneetha's initiative shown in coordinating free Cleft Lip surgeries through medical camps every month at GSR Hospital in Hyderabad was unique. Her active participation brought countless smiles to the faces of children suffering with Cleft Lip and Cleft Palate. She would talk to the

parents of the children and encourage them, consult with the doctors, and inquire about the well-being of the children from time to time.

Service for the persons suffering with Muscular Dystrophy:-

Parneetha organized the gatherings of persons suffering with Muscular Dystrophy in and around Hyderabad. She was a kind-hearted person who not only provided financial assistance of 16,000 rupees per year through the FCN sponsorship program, but also put smiles on people's faces by providing them with essential items every year, provided by FCN and other donors and students.

She gracefully balanced great responsibility with a sense of service and humility. On her every visit to FCN Home she spent lot of time with them, greeting them by name and inquiring about their health. All the elderly would greet her with their love and affection. She enjoyed serving food for them and eating with them and simply having fun. Our Parneetha was an inspiration. She could sense the needs of a situation, anticipate challenges, and take the initiative to lead all the programs successfully.

Parneetha's Spiritual Growth:- Parneetha was a strong believer who was born and brought up in a traditional family who practiced ideal Catholic faith. She loved the Church and her parish community. She admired the nuns and was very close to many of them. She loved talking to them and supported them in their work of FCN sponsorship.

Divyavani TV Channel and Bharathamithram:- Divyavani TV Channel and Bharathamithram, a Catholic magazine, are the media sources that promote Catholic religious traditions, teachings and evangelization. Parneetha took initiative and encouraged many people to grow spiritually by introducing them to these media sources. She invited acquaintances, family members and relatives, whom she also enrolled as members.

Spiritual Harmony, Connecting Families:- Parneetha was a great bridge of love and spiritual connection within families. She acted as a connector in uniting families through spiritual ties, so that all could live together with love and care. She set an example for everyone to live in harmony with each other. It takes much courage to introduce the FCN organization to families and involve everyone in the services it provides. Parneetha did this with grace and joy.

Services at FCN-USA:- Parneetha visited FCN-USA over four summers. The services she rendered are unforgettable. An experienced and adept traveller, she graciously travelled alone throughout the United States, making many mission appeals. Parneetha's wonderful ability to share FCN's story and work convinced many people to support generously. Parneetha was well trained by the Founders of FCN, Dr. Geetha and Tom, to carry on the mission and vision of FCN. Parneetha has won the hearts of many through her smile, kindness and whole-hearted dedication to FCN.

Parneetha, FCN India Executive Director:- Parneetha who had all filled with many virtues used to imitate elders and actively participate in spiritual activities in addition to community service. She was a person who believed in faith, service, love and an ideal life. FCN founders, Dr. Geetha Yeruva and Tom Chitta, appointed her as the Executive Director of the organization. She has done this with utmost care and dedication. She was always available for FCN work. Her shocking and sudden death has been difficult to accept for family members, FCN Founders, staff, friends and students. In the family of FCN, Parneetha will always be remembered as an important person. We pray to God that her soul rest in eternal bliss.

“ I am the resurrection and the life.
The one who believes in me will live,
even though they die;
and whoever lives by believing
in me will never die ”
